# Essential Information

Access to my child's grades.

Adding money to my child's lunch account.

The screenshot displays the WCA-NC mobile application interface. On the left is a dark red navigation sidebar with a hamburger menu icon at the top. The sidebar contains the following items: 'School' (with a school building icon), 'Student' (with a person icon), 'Family' (with a family icon), 'Apply / Enroll' (with a pencil icon), and 'Financial' (with a building icon). The 'Student' and 'Financial' items are highlighted with a green and yellow border, respectively. A yellow arrow points from the 'Financial' item to the 'ADD FUNDS' button in the main content area. The main content area has a white background and features a 'Notifications' section with a bell icon and a message: 'Negative balance on one of your accounts (See below)'. Below this is a 'Prepay Accounts' section with a camera icon. It lists two school years: '2024-2025 School Year' and '2023-2024 School Year'. Under each year, the word 'Lunch' is displayed, and an 'ADD FUNDS' button is positioned to the right of the 'Lunch' text for each year. The 'ADD FUNDS' button for the 2024-2025 school year is highlighted with a yellow border.
